

Expository Paper Requirements

- ✓ A web printed off from www.visuwords.com must be turned in with the outline and paper.
- ✓ Each supporting detail in the outline must be labeled with an *S*, *Q*, or *ME*.
- ✓ In the paper, highlight all transitions in yellow. (Because we discussed the importance of transitions in a research paper, a good portion of your grade will ride on your use of transitions.
- ✓ Entire paper must be balanced. Example: If you have three points in your first body paragraph then you must have three points in each of the following body paragraphs. The same applies to support sentences.
- ✓ Each body paragraph must have an introduction and a wrap-up sentence.
- ✓ The paper must include an introductory and a conclusion paragraph.
- ✓ You must have a minimum of three sources listed on a Reference page.
- ✓ The paper must be typed according to the given specifications.
- ✓ 50 sentence minimum
